

MYSTICAL ARTS

“I am endeavoring to find people to work with, that have as their primary intent, the desire to revive the human spirit instead of creating work that denies and suppresses it. I am driven by the conviction that tales of greatness can be as exciting and financially successful as the subjects of rape, pillage, and plunder so beloved of the industry.”

Mark Vicente, director of *What the Bleep Do We Know?*

WHAT IS THE MEANING OF LIFE?

WHERE DO WE COME FROM?

WHERE ARE WE GOING TO?

HOW BEST DO WE SERVE FELLOW MAN?

These and many more timeless questions inspire the works of artists from every culture, every season and every walk of life...

We live in a time where these questions have never had more relevance – we find ourselves immersed in technology, and yet we feel farther apart than at any point in history; we can contact almost anyone anywhere in the world within a few moments, and yet we have so little to say; we seek to fill our lives with meaning, but we cannot see clearly where that meaning lies...

Conceived by **Matt Warne**, founder of **SpiritualForums.com** – the Internet’s most popular Spiritual and Metaphysical discussions forums, **Mystical Arts** seeks to bring writers, musicians, filmmakers and all artists together, so that they can communicate, discover, share and **create** answers to these and other eternal questions, in all mediums...
